PROFILE

B.Tech IT student with hands-on experience in Java , MERN-based web applications, and data analytics using Power BI and SQL. Built full-stack platforms for placement management and data visualization, with internship exposure in real-world data analysis and reporting.

EDUCATION

B.Tech - Information Technology **2022–2026**

PSNA College of Engineering and Technology CGPA: 7.93

HSC **2021–2022**

GOVT.HR.SEC.SCHOOL-S.S.KOTTAI Percentage: 82.67%

SSLC **2019–2020**

GOVT.HR.SEC.SCHOOL-S.S.KOTTAI Percentage: 71.4%

SKILLS SUMMARY

Programming: Java

Backend: Node.js

Automation Tool: n8n

Frontend: HTML, CSS, JS

Design Tool: Figma

Database: MongoDB

Data Visualization: Power BI, Tableau

Soft Skills: ProblemSolving,Teamwork, Communication

PROJECTS

College Placement Website

Developed a MERN-based placement management system with role-based access, resume uploads, application tracking, and centralized student, company, and placement data, supported by structured dashboards to streamline workflows.

Technologies Used: HTML, CSS, JavaScript, MongoDB

Sparkly Data (Data Analyst Project)

Built a data analytics platform for dataset upload, cleaning, preprocessing, and visualization, using Power BI and Tableau to create dashboards that identify trends and support data-driven decision making.

Technologies Used: MERN - STACK ,Chart.js, D3.js, Power BI / Tableau (for visualization support)

CERTIFICATIONS

Principle of UX/UI - Coursera (Oct 2024)

Learn Java - CodeChef (Jun 2025)

MongoDB Certification - MongoDB (Jul 2024)

HTML, CSS, JS - Udemy (May 2025)

Learn SQL - CodeChef (Aug 2025)

Power BI Beginners - Simplilearn (Aug 2025)

Career Essentials in Data Analysis Learning Path - *Microsoft & LinkedIn* (Aug 2025)

INTERNSHIP

Data Analyst - Winways Technology Pvt Lmt - Madurai

Worked on cleaning, organizing, and visualizing data sets for client reports while supporting senior analysts in developing data-driven business insights.

WORKSHOPS

- Open Day – IISC Bangalore – Feb 2024
- Meta Gen AI Workshop (Online) – Sep 2024
